1986-87 General Practice Residency, Woodhull Medical and
Mental Health Center, Brooklyn, N.Y.

1988-90 Fellowship, Full-time Program in Oral Implantology
and Biomaterials, Brookdale Hospital, Brooklyn, N.Y.
Training included surgical placement and prosthetic
restoration of osseointegrated implants (including
Nobelpharma/Branemark, Collagen Biomedical/Osseodent,
Calcitek/Integral, Denar/Steri-Oss, Orthomatrix/Sustain,
Interpore/IMZ, Core-Vent), submergible blade implants,
subperiosteal implants, CAD CAM subperiosteal implants,
intramucosal inserts, endodontic stabilizers,
bone grafting procedures (ridge maintenance, ridge
augmentation, sinus elevation procedure), soft tissue
procedures (free grafts, vestibuloplasty, periodontal
repair of implants), maintenance and repair of implants,
sedative management of implant patients

1990-92 Post-Graduate Specialty Certificate Program in Combined
Fixed/Removable/Implant and Maxillofacial Prosthodontics,
University of Medicine and Dentistry New Jersey (UMDNJ)

ACTIVITIES:

- 1982- Member, Alpha Omega, Dental Fraternity
Member, American Dental Association, ADA
- 1982-90 Member, Academy of General Dentistry

- 1988- Supporting Member, American Academy of Implant Dentistry
- 1990 Founder, Five Towns Dental Study Group, Lawrence, N.Y.
- 1990- Member, International Congress of Oral Implantologists
Member, American College of Oral Implantology
Member, American Society of Osseointegration
Member, American College of Prosthodontics
- 1991-98 Editorial Board, Journal of Oral Implantology
- 1992- Active Member - Surgery, Academy of Osseointegration
Active Member - Prosthetics, Academy of Osseointegration
- 1992 Committee Member, American Academy of Implant Dentistry,
Committee on Advanced Education Students in Implant
Dentistry
- 1993-96 Member, Northeast Gnathological Society
- 1993-00 Committee Member, Research Committee,
Academy of Osseointegration
- 1994 Editorial Board, Journal of Aesthetics and Implants
- 1995 Committee Member, Research Committee,
American Academy of Implant Dentistry
- 1996-97 Committee Member, Academy of Osseointegration,
2000-01 Annual Meeting Committee, Program Subcommittee
2002-03
- 1996-97 Committee Chairman, Internet Committee,
Academy of Osseointegration
- 1997 Committee Member, American Board of Oral
Implantology, Test Construction Committee,
Prosthodontic Advisor

- 1998- Founder, The Center Study Club, Cedarhurst, N.Y.
- 1998-00 Program Chairman, Academy of Osseointegration,
2000 Annual Meeting, New Orleans, LA
"Implants 2000: Science and Controversy
into the New Millennium"
- 2000 Board of Directors, Osseointegration Foundation,
Academy of Osseointegration
- 2000 Continuing Education Steering Committee
Academy of Osseointegration

HONORS:

- 1984-85 Dean's Letter for Outstanding Academic Achievement
- 1985-86 Clerk, Orthognathic Surgery
- 1990 Fellowship Award from the International Congress
of Oral Implantology
- 1991 AAID Research Foundation Student Research Poster
Competition, First Prize, "Comparison of four novel
incisions"
- 1991 Fellowship in the Academy of General Dentistry (FAGD)
- 1992 Fellow of the American Society of Osseointegration
- 1992 Diplomate of the International Congress of Oral Implantology
- 1994 Associate Fellow, Greater New York Academy of Prosthodontics
- 1996 Diplomate of the American Board of Oral Implantology
- 1997 Fellow, Greater New York Academy of Prosthodontics
- 1999 Fellow, Academy of Osseointegration

PATENTS (ISSUED) :

1994 Temperature Gauge for Dental Drills and Method
Employing Same

1996 Temperature Gauge for Medical Drills and Method
Employing Same

1996 Temperature Gauge for Manufacturing Drills and Method
Employing Same

1997 Surgical Template Assembly and Method for Drilling
and Installing Implants

2004 Stabilizing Implant system

PATENTS (PENDING) :

A prefabricated implant with a custom transgingival segment

A device to guide the drill through contra angle guidance to
place dental implants

A device to control the position of the implant connection
during implant placement

A device to stabilize the drill in the contra angle during
the drilling procedure

PROFESSIONAL EXPERIENCE:

1987-88 Associate for Private Dental Practice of Dr. Elias Schwartz,
Bronx, N.Y.

1987-88 Associate for Private Dental Practice of Dr. Harold Biller,
Forest Hills, N.Y.

1987 Attending Dentist, Woodhull Medical and
Mental Health Center, Brooklyn, N.Y.

1988 Associate for Private Dental Practice of Dr. Ira Phillips,
Kew Garden Hills, N.Y.

1990-92 Private Practice, Limited to Implant Dentistry,
Cedarhurst, N.Y.

1990-94 Private Practice, Limited to Implant Dentistry,
Kearny, N.J.

1990-01 Consultant, Columbia Scientific Corporation, Columbia, MD,

Producers of CT scan hardware and software systems for dental and orthopedic uses.

- 1992-97 Private Practice, Limited to Prosthodontics and Implant Dentistry, Woodmere, N.Y.
- 1993-96 Associate for Private Dental Practice of Dr. Dennis Tarnow, Dr. Paul Fletcher, Dr. Jonathan Zamzok, Practice Limited to Periodontics, Prosthodontics and Implant Dentistry, New York, N.Y.
- 1997- Private Practice, Limited to Prosthodontics and Oral Implantology, Advanced Implant Dentistry and Oral Restoration, PLLC, Cedarhurst, N.Y.

CORPORATE AFFILIATIONS:

- 1996-2007 President and CEO, Implant Logic Systems Ltd. Company sold to BioHorizons in April 2008
- 2007-2008 Scientific Advisory Board, BioHorizons
- June 2014 - Scientific Advisory Board, Paltop Advanced Dental Solutions Caesarea, Israel
- December 2014 - Medical Director, Paltop Advanced Dental Solutions Caesarea, Israel
- November 2016 - VP Research and Development, Paltop Advanced Dental Solutions Caesarea, Israel

TEACHING AFFILIATIONS:

- 1992-2010 Clinical Associate Professor of Implant Dentistry and Restorative and Prosthodontic Sciences, New York University Dental School, New York, N.Y.
- 1992-2002 Course Coordinator, Classic Literature Review, Department of Implant Dentistry, New York University Dental School, New York, N.Y.
- 1992-2010 Clinical Assistant Professor, Department of Prosthodontics and Biomaterials, Postgraduate Division, University of Medicine and Dentistry of New Jersey, New Jersey Dental School, Newark, N.J.
- 2010-2015 Adjunct Assistant Professor, Department of Prosthodontics and Biomaterials, Postgraduate Division,

University of Medicine and Dentistry of New Jersey,
New Jersey Dental School, Newark, N.J.

1993-1994 Coordinator, Implant Dentistry Residency Program,
Department of Implant Dentistry, New York University
Dental School, New York, N.Y.

RESEARCH:

1988-89 Laboratory study of polymeric synthetic bone grafting
material for ridge augmentation,
Brookdale Hospital, Brooklyn, N.Y.

1988-90 Laboratory study of polymeric synthetic bone grafting
material for periodontal repairs,
Brookdale Hospital, Brooklyn, N.Y.

1989 Laboratory study of polymeric synthetic bone grafting
material for repair of zygomatic bone gap defects,
Brookdale Hospital, Brooklyn, N.Y.

1988-90 Clinical study of polymeric synthetic bone grafting
material for ridge maintenance following tooth
extraction, Brookdale Hospital, Brooklyn, N.Y.

1988-90 Clinical study of polymeric synthetic bone grafting
material (block form) for ridge augmentation,
Brookdale Hospital, Brooklyn, N.Y.

1988-90 Clinical study of polymeric synthetic bone grafting
material for repair of failing dental implants,
Brookdale Hospital, Brooklyn, N.Y.

1989-90 Research Project, "Interdental thickness
discrimination in the implant patient",
Brookdale Hospital in conjunction with
University of Medicine and Dentistry of New Jersey

1990-91 Research Project, "Comparison of accuracy of
CT scan generated CAD CAM models to bone impression
models for subperiosteal implants",
Brookdale Hospital, Brooklyn, N.Y.

1991 Research Project, "Comparison of four novel incisions",
Brookdale Hospital, Brooklyn, N.Y.

1991-94 Research Project, "Identification of mechanoreceptors
adjacent to endosseous implants in dog mandibles"
University of Medicine and Dentistry of New Jersey

1994 Research Project, "The Effect of Irrigation on Osteotomy
Depth and Bur Diameter"

1995 Research Project, "The Anterior Loop of the Inferior
Alveolar Canal: Does it Exist ?"

PRESENTATIONS: (SEE NEXT PAGE)

PRESENTATIONS:

- 1986 Table Clinic, University of Maryland, "Acid Etched Glass Ionomer/Composite Bonding Sandwich Technique"
